THANK YOU

\$4000 in Academic Scholarships Rewarded!

Dear Supporters,

The Board of Directors and I want to thank you for your continued support of Generations for America, Inc.

We have two programs:

- Scholarship Program - Award scholarships to graduating high school seniors and students already attending college;
- Senior Citizen Program (The Goodlife Initiative) - Provide support to our community senior citizens.

Because of your generous donations, we were able to award eight \$500 scholarships this year!!! Our focus areas are Alabama, Georgia, and SouthCarolina! Our motto is to "Give Where You Live"! We accomplished our goal to award more scholarships this year than in previous years.

We are a small, grassroots, nonprofit organization. With your prayers and donations, we are making a difference where we live. Again, thank you for your support.

Much Gratitude!

Karen Newsome
